You will go to <https://www.infoplease.com/almanacs> to answer the following questions.

1. Click on U.S. Documents under History and Government. Click on the Declaration of Independence. What year was it in Congress?
2. Scroll down the page to see what person signed the Declaration of Independence. It will be after the hyphen ---
3. Go back to <https://www.infoplease.com/almanacs> Click on Structures and Buildings. Then click on World's Tallest Buildings. Look at #4. This is a new building that was not listed in our 2003 Almanac the other day when we were looking at it in the library. What is the name of this building? How many stories is this building? And how tall is this building?
